

## THE LONG COAT

Did you ever stop to consider how many evenings in the year a coat is really essential to one's comfort?

The need is almost as great in July and August as in January, especially if motoring. Sport Coats (short), are ideal for street wear, but a long coat is more satisfactory when motoring, as it protects one's more delicate garments.

**What Is Going On Tonight**  
Obwobetuck Lodge, No. 16, I. O. O. F., meets at 807 Main street.  
Trinity Chapter, No. 9, R. A. M., stated convocation at Masonic hall.

Mrs. Minnie Hanks was taken to the Middletown State Asylum Wednesday morning by Chief of Police Daniel Killourey and Mrs. Chamberlain, matron of the Windham town farm. Judge of Probate Otto B. Robinson obtained permission to commit Mrs. Hanks to Middletown rather than to the state hospital at Norwich and she was taken to the former city by automobile.

Trouble with the engine caused the 3:45 Providence train to be delayed Wednesday afternoon and it did not arrive here until 5 o'clock. It was also announced on that afternoon that the Hartford train would take passengers from the local station. This train came down from Hartford arriving at 6:15 and made the return trip leaving at 6:30 o'clock.

Clayton E. Hunt, of Columbia, appeared before the police court Tuesday morning to answer to the charge of violating the automobile law by leaving the engine of his automobile running while the machine was unattended on North street Wednesday afternoon. Officer Grant Bombria had notified Hunt to appear before the court. Mr. Hunt admitted having left the engine running as charged, but thought that in doing so he had used good judgment as at that time the traffic on that street was congested and he intended to get away as quickly as possible to make room for other drivers. Hunt stated that he had simply stepped across the street to deliver a can of cream at the time of his notification by Officer Bombria. Judge Frank H. Foss stated that as this was Hunt's first offense he would fine him but five dollars and costs. Hunt settled for \$5.05.

Mr. Hunt's arrest is the first for this offense this year, but the police have been notified to be on the lookout for violators of the automobile law as many motorists have been careless about leaving engines running while the car was on the street unattended. Although the weatherman predicted only cloudy weather for Wednesday this city had a touch of winter with several heavy squalls. At one time during the day there was a slight coating of wet snow on the ground but this disappeared during the afternoon. Snow squalls were numerous at nightfall.

Homer Isham of Columbia, a clerk at the Willimantic post office has tendered his resignation to Postmaster John O'Rourke to take effect Saturday, April 17th. Mr. Isham stated in a letter to the postoffice as a substitute July 1 1912 an\* was appointed a regular clerk July 19 1915. He is to be employed at one of the local banks.

A summary process was served on Salvatore Poti manager of the Seaside theatre. Tuesday morning, by Deputy Sheriff A. J. Greenslit on complaint of the First Society of Spiritualists of this city. Mr. Poti, it is claimed, had a lease on the property from October 1, 1918 until April 1st of this year and his lease having expired, he was

asked to vacate the premises which he refused to do. A hearing in the matter is to be held Friday before Justice of the Peace Frank H. Foss.

The funeral of Mrs. Ann K. Bailey was held Wednesday afternoon at two o'clock from St. Paul's Episcopal church. Rev. Walter F. Berchert, rector of the church, conducted the service, also read a committal service at the grave in the Willimantic cemetery. The bearers were Robert E. Mitchell, William Smith, Arthur Taintor and Bert L. Hicks. Arrangements were in charge of Funeral Director Jay M. Shepard.

Funeral services for Arthur Barrows Griggs were held Wednesday afternoon at two o'clock at Chapin Congregational church. Rev. Walter E. Lamphair officiated and read a committal service at the grave in the Willimantic cemetery. The bearers were William L. Martin, Luther Martin, Wilfred Burdick and Walter Griggs. The J. C. Lincoln of the funeral director was in charge of the arrangement.

Following is the report of Willimantic Chapter of the Red Cross Public Health Nursing Service for March.

Number of new cases, 39; number of cases closed, 46; nursing visits, 198; welfare visits, 294; total number of visits, 492; money due from Metropolitan Life Insurance company, \$38.50; fees collected, \$23.50.

The report also mentioned the Ford 1920 many believed that the application would be rejected, as the republicans were in power. S. Seth Billings, a republican, as warden, was in office and he established a precedent by accepting the application of Chief Killourey, who made a regular cop.

Chief Killourey since becoming a member of the force has served under four captains of police—Fred Clark, now of Providence, R. I.; the late Henry S. Hills, William Hillhouse and Edgar H. Richmond. When Captain Richmond took the office in 1909, Killourey was made lieutenant. When the title of captain was dropped in 1911 the title of chief was adopted but the lieutenant continued. Chief Richmond resigned in 1917 and the top-notch, Chief Killourey was known as a man who gets the person he is out after and during his many years on the force has assisted in many important arrests.

## COLCHESTER

I Horowitz left Monday for New York, having been called there by the illness of his son, Jake.

There was a very large attendance at the whist and social given by the Ladies' Guild of St. Andrew's church Monday evening. The prizes were awarded to Mrs. Cecil Bigelow and Charles F. Brown. Consolation awards went to Samuel Friedman and Miss Beina Broder.

William C. Davenport has sold his property on South Main street to Joseph Agnaniovich. Mr. and Mrs. Davenport will leave soon for Florida, where they will reside.

Henry O. Sorrell and Emil Comment of North Westchester were in town Tuesday evening attending the meeting of the Knights of Pythias.

The body of Miss M. A. Conlin, of Naugatuck, was brought here Tuesday on the 2:50 p. m. train for burial in St. Andrew's cemetery. Miss Conlin was formerly of this place and was the daughter of William Conlin.

At the annual meeting of Calvary Episcopal church the following were

office. Mr. Vaughn was elected treasurer when the lodge was organized and held that office until he left this city for Putnam last fall. Members of the committee in charge of the presentation were Mayor Charles A. Gates, chairman, Daniel P. Dunn and C. W. Alpaugh. The remainder of the evening was devoted to diversion, a special act from a Boston entertainment bureau pleasing the audience. A social hour followed, refreshments were served and a smoker enjoyed. The committee in charge of the entertainment was Valentine J. Murphy, chairman, Harry Lester and Albert Judge.

Thirty years ago Wednesday, April 7, 1920, Chief of Police Daniel J. Killourey became a regular on the Willimantic police force and since that time he has served as patrolman, lieutenant and finally chief which position he fills today with efficiency above criticism. Congratulations were received by the chief Wednesday by many local people who remembered the anniversary. Chief Killourey, who is the only officer left of those guarding the peace appointed by the court of burgesses of the Willimantic borough April 7, 1890, is today as strong and husky as he was when an athlete whose prowess was known to those who met in competition with him. The chief gives the credit for his good health to his athletic training and favors this training for the boys of today. He is also a total abstainer from liquor, also from tobacco in any form.

The chief has seen the Willimantic police force come up from one that was composed of a few men to a force of 130 many believed that the application would be rejected, as the republicans were in power. S. Seth Billings, a republican, as warden, was in office and he established a precedent by accepting the application of Chief Killourey, who made a regular cop.

**Alkali in Shampoos**  
**Bad For Washing**

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is Mollie's coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else sold to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.
